Dear Prospective Contractor

Bleadon Parish Council – Parking Barriers (Repainting)

Thank you for expressing an interest in undertaking works for Bleadon Parish Council.

This document is in three parts:

- *Part 1 provides some basic information and tells you the basis upon which we will evaluate your tender.*
- *Part 2 contains site specific information, together with locations and photos. The photos are not intended to be exhaustive and if you are in any doubt as to the areas covered by this contract you should contact us before submitting a bid.*
- *Part 3 is the tender document. This is what you must complete and submit to us if you would like to bid for works by **Noon on Friday, 19th April 2024**. We will generally only consider submissions which follow the form of Part 3. This is because Part 3 includes a number of important declarations that we require of you as a potential contractor.*
- *For the purposes of this contract, the Council will use the standard JCT Minor Works Building Contract terms and conditions. The JCT Minor Works contract is an industry standard contract produced by the Joint Tribunals Council.*

If you have recently submitted a tender submission for other work for Bleadon Parish Council, you may leave sections in relation to quality, references etc blank as we will use the information previously supplied - unless you tell us that we should not. However, please make sure that you complete the basic contact information and the Bill of Quantities.

If you have an particular accessibility needs which might require you to submit information in a different way, then please let us know and we will do our best to accommodate your needs.

We look forward to receiving your bid.

PART 2

DETAILED SPECIFICATION AND SITE LOCATIONS

INTRODUCTION

A1: PARKING BARRIERS (REPAINTING)

March 2024

INTRODUCTION

- a) The Contractor should confirm that they are fully aware of the extent of the areas subject to works and the descriptions and photographs may not fully describe those areas.
- b) In the event of the contractor failing to appreciate the full extent of the areas covered or the manner of works to be performed or the quality of finish to be achieved then the opinion of the Supervising Officer will prevail and the Contractor shall be expected to undertake the works fully as though they were fully aware, with no additional payment being made.
- c) Headings and maps are provided to assist in identification of the specific locations.

A1 – REPAINTING OF PARKING BARRIERS

The contractor should price for the following elements:

- a) Removing loose paint along the full length of the existing parking barriers and posts;
- b) 'Feathering' any retained paint and ensuring that there is a mechanical key for any new paint;
- c) Repaint barriers and posts with a high-quality weatherproof paint in a colour of the choosing of the Parish Council;
- d) Remove any materials dislodged as a consequence of the above and leave the site clean and tidy.

The area affected is shown as a red line on the plan below.

Special considerations:

The contractor must ensure that surrounding areas are protected from paint spills/splashes.
