**"We will remember them."**

## Remembrance Sunday 2020 in Bleadon:

On **Sunday 8th November 2020** we plan to hold a shortened Remembrance Sunday Service, including a public act of remembrance. Covid 19 regulations are very changeable so exact details will not be published till after the 2nd Nov. We plan to enable the normal wreath laying, but it is expected that many of us will need to be outside in the churchyard, rather than in the church, to enable social distancing.
