## Can you help re-gild the Church Clock?

The Church Clock was installed in 1897 and paid for by public subscription.

Since 1932, Bleadon Parish Council (BPC) has been responsible for the upkeep and maintenance of the clock.

The clock is now in need of re-gilding and BPC has resolved to have this work carried out in time for Her Majesty The Queen's Platinum Jubilee in June 2022.

This is an expensive project at £12,000 but fortunately, not a job that needs doing regularly, having last been gilded in 1962.

### Have your name or company logo signwritten on a segment of the Clockometer
